From the
Pastor's Desk

My dear Parishioners,

Today we begin the week called *Holy*. Our dramatic liturgy recalls the road of suffering and death that Jesus walked, which led to Easter and the celebration of new life and glory. As we remember the triumphant entry of Jesus into Jerusalem, and anticipate the events of His Passion, Death and Resurrection, we once again get in touch with the essence of our faith. These last days of Lent reaffirm the meaning of our faith and purpose of our lives.

As Holy Week unfolds, we are reminded of our own call to faithfulness and obedience to God's will. As followers of Jesus, we can expect to face suffering and persecution in our own lives, as we often struggle with sinfulness and hardships, injustice and pain. However, when we suffer for Christ and are true to his teachings, we know that God will not fail us. God will not abandon us. On the contrary, God gives us the strength and grace to persevere!

Lent ends with the start of the Sacred Triduum (three-days). The celebration of the Mass of the Lord's Supper is the opening, and the Triduum continues until Easter Sunday. The liturgies of Holy Thursday, Good Friday and Easter Vigil are really ONE liturgy celebrated on three days. On Thursday the liturgy begins with the usual introductory rites and the Gloria and the concluding rites takes place at the end of the Easter Vigil. Why three days in one? Because we are to live out the Paschal Mystery in our everyday lives. The Paschal Mystery is not only about Christ's Passion, Death and Resurrection but our participation in it.

Let us make an effort this year to attend all three days of the Sacred Triduum!
