From the  
Pastor's Desk

My dear Parishioners,

We often forget that the early Church was a work in progress. It didn't just pop up one day with the doctrine intact. But with the help of the Spirit, belief gradually developed about the divinity of Jesus the Christ, his death and resurrection, and the promise of eternal life. The second reading from 1 John provides a glimpse of this unfolding process in the early Johannine community.

St. John teaches that faith demands acceptance of Jesus as the Son of God, and those who come to believe must live accordingly. "For the love of God is this, that we keep his commandments." My friends, as we continue celebrating the Easter season, let us love God and one another.

I thank everyone who contributed to the wonderful celebration of the Pascal Triduum.

Sincerely,

Father Ed

## **Feast of St. Stanislaus—April 11**

Stanislaus was born of noble parents on July 26th at Szczepanow near Cracow, Poland. He was educated at Gnesen and was ordained there. He was given a canonry by Bishop Lampert Zula of Cracow, who made him his preacher, and soon he became noted for his preaching. He became a much sought after spiritual adviser. He was successful in his reforming efforts, and in 1072 was named Bishop of Cracow. He

incurred the enmity of King Boleslaus the Bold when he denounced the King's cruelties and injustices and especially his kidnapping of the beautiful wife of a nobleman. When Stanislaus excommunicated the King and stopped services at the Cathedral when Boleslaus entered, Boleslaus himself killed Stanislaus while the Bishop was saying Mass in a chapel outside the city on April 11. Stanislaus has long been the symbol of Polish nationhood. He was canonized by Pope Innocent IV in 1253 and is the principle patron of Cracow.

His feast day is April 11th.
