From the  
Pastor's Desk

My dear Parishioners,

Despite mounting pressure to end it, 38 states have the death penalty. Most of these states allow a last meal for condemned parishioners. The “last supper” is a tradition that dates back to ancient Greece.

A few prisoners have unselfishly ordered their large last meal to be shared with other death row inmates. Most have just thought of themselves. Oklahoma bomber Timothy McVeigh ate two pints of chocolate mint ice cream for his final meal. Joan of Arc requested only Holy Communion.

Jesus chose a final meal of bread and wine. It was a meal that changed the world forever: It is a meal that he has shared with everyone. Jesus’ last supper is served at every mass, when the bread and wine become the true body and blood of our Lord Jesus Christ.

Today we celebrate the feast of the Body and Blood of Christ, we remember that God not only feeds us, but becomes our food. We pray for the grace to trust and the generosity to share our gifts with others.

Sincerely,

Father Ed
