ST. STANISLAUS CHURCH**

From the
Pastor's Desk

My dear Parishioners,

If you want confirmation that Jesus was right when he talked about the tiny mustard seed, head on down to the Golden Arches and start with McDonald's.

In 1965, when McDonald's Corporation went public, common shares were \$22.50. If you had purchased 100 shares for \$2,250 then, your investment would be worth nearly 6 million dollars today. That's 2,667-to-one. Not bad by any measure!

In today's Gospel story, Jesus compared the kingdom of God to the tiny mustard seed that grows up to be the greatest of shrubs. So just how great is the shrub of our Catholic faith?

The tiny mustard seed of the Catholic Church was planted with 12 disciples, and it has since grown to 1.2 billion members today. That's a billion-to-one growth factor.

Today, we are presented with two Parables—the seed growing secretly and the mustard seed. Notice that in both parables, it is a human being who plants the seed, but God who is responsible for the seed's growth. We are not to take lightly our role in building the kingdom, nor are we to become discouraged. The kingdom of God develops in God's own time.

Sincerely,

Father Ed
