My dear Parishioners,

As a kid we would often travel to New Jersey over the “nickel bridge” or the Tacony/Palmyra bridge. Since it only cost five cents and there were live toll-takers in the booths, it was affordable and fun to perform a random act of kindness. If you felt generous, you could pay a dime and explain “I’m paying for the car behind me.”

Sometimes the second car was able to catch up with the first car and give a happy honk on the horn. Everyone was filled with joy as they exchanged smiles and friendly waves.

The scriptures today contrasts show-off givers with the humble widow who secretly gave all she had. If we are truly giving to God, then only God needs to see what we have done. We don’t have to lag behind so the second car will catch up with us. Love is its own reward.

Sincerely,

*Father Ed*
