The foods in the baskets have a symbolic meaning:

- eggs - symbolize life and Christ's resurrection.
- bread - symbolic of Jesus.
- lamb - represents Christ.
- salt - represents purification.
- horseradish - symbolic of the bitter sacrifice of Christ.
- ham - symbolic of great joy and abundance.

## FOOD DRIVE

Every Week  
During Lent

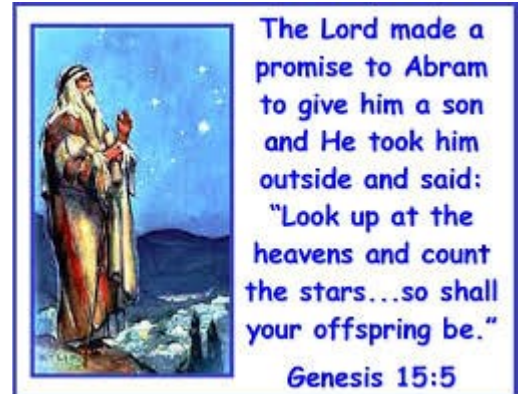

From the  
Pastor's Desk

My Dear Parishioners,

An important symbol for Lent is the color Violet, which is on our Altar and the color of the vestments worn by the priest and deacon. It is also the color of the Stole worn by the priest in the Sacrament of Reconciliation. Violet is a somber color, which symbolizes mourning, suffering, humility, regret, and the willingness to do penance, particularly fasting. Violet's association with suffering is based upon Jesus' Passion when the soldiers clothed in a purple cloak and tortured him.

Our readings today are about the future. God promises Abraham descendants as numerous as the stars in the sky. Jesus is, transfigured before his disciples. A hint of the glory of his future and ours. And St. Paul says that we are first and foremost citizens of heaven. Let us pray that we will conduct ourselves befitting that citizenship, confident in a future promised by a God who keeps promises.

Sincerely,

*Father Ed*
