Sacraments of Initiation for Children

Looking for all children who are in the 2nd grade (**First Reconciliation** and **Holy Communion**) and 7th grade (**Confirmation**) or in any grade in between that have not received First Reconciliation and Holy Communion .

This includes catholic, public, private and home schoolers,

We offer a Parish Retreat for each Sacrament and if your child is not being catechized at

a Catholic School or Religious Education Program, we will provide total catechesis and preparation for reception of the Sacraments. In some cases, parents can home school the child with assistance from the parish.

Please contact the Rectory and your information will be forwarded to Maryellen Carroll, the Director of Religious Education.

We should remember that October is Respect Life Month and today is Respect Life Sunday. As Catholics, we are called to cherish, defend and protect those who are most vulnerable, from the beginning of life to its end, and at every point in between. During the month of October, the church asks us to reflect more deeply on the dignity of every human life. The Respect Life theme this year is *Christ our Hope: In every Season of Life*.

"Where the hell is God?"

My dear Parishioners,

A couple of years ago, a Jesuit spiritual writer named Fr. Richard Leonard wrote a book titled exactly that: *Where the hell is God?* If that doesn't sound very spiritual, it's due to the false assumption that no one with a good spiritual outlook would ever shout the question out loud. Not so. Two and a half millennia ago, the prophet Habakkuk asked the very same question and challenged God to give an answer. God did, telling him to write it on tablets of stone.

Writing or engraving on wood or stone was thought to give a sense of permanence to the message; not only Habakkuk's contemporaries, but future generations would be assured of God's assistance and concern. Moreover, the prophet was to write so that it could be read easily. Literally, the text of the book of Habakkuk 2:2 reads, "so that he who runs may read," the idea being that Habakkuk was to write in large, bold letters so that even someone on the run may see it and understand.

In response to the prophet and his people's impatience came divine assurance that the vision still has its time, presses on to fulfillment and will not disappoint.

What was needed from Habakkuk, and what continues to be needed from contemporary believers, is faith - faith that waits with confidence that all God's promises will be realized.

There are times in all our lives when we feel abandoned by God, when we suffer trauma, violence, ruin, or misery. It is natural to question how a loving, caring, all-powerful God can allow this. Do we turn to faith or despair? In the end, Habakkuk turns to faith. The forces of Nebuchadnezzar are closing in on Jerusalem, but the Lord assures Habakkuk that the just Israelite will live. Keeping faith is a challenge when times are difficult. But this is when it is necessary...and consoling.

Sincerely,

Father Ed
