MEETING JESUS IN THE SUNDAY READINGS

Reach More. It is not too late to sign up for the SMALL GROUPS.

Wednesdays at 6:00 p.m., Thursdays at 7:00 p.m., Fridays at 10:30 a.m.

My Dear Parishioners,

Pope Francis in an impromptu discussion with a student spoke about the challenges of the journey that is human life: “Walking is an art; if we are always in a hurry we tire and cannot reach our destination, the destination of our journey. Yet, if we stop and do not move, we also fail to reach our destination. Walking is precisely the art of looking to the horizon, thinking about where I want to go, and coping with the weariness that comes from walking. Moreover, the way is often hard-going, it is not easy; listen: there is darkness, there are days of darkness, day of failure, and some of falling . . . someone falls, falls. Yet always keep this in your thoughts do not be afraid of failure, do not be afraid of falling. In the art of walking it is not falling that matters, but not ‘staying fallen.’ Get up quickly, immediately, and continue to go on. . . But also: it is terrible to walk alone, terrible and tedious. Walking in community, with friends, with those who love us: this helps us, it helps us to arrive precisely at the destination where we must arrive.”

We are on a spiritual journey, this Lent, and we live with the uncertainty of change that will happen to our parish. Do not be afraid! These are the words of our Lord that all of us should remember every day.

In almost every aspect of our lives we could think of something to worry about. It seems that we are the only one who is aware there is something to worry about or be fearful of. However, we need to remember our Lord’s words to us: Your heavenly Father knows what you need even before you ask him.

We need to be aware of Him, aware of His presence, aware of His knowledge of our needs, fears, and worries and, especially, aware of His desire to help us see them through.

Happy Lent!

Sincerely,

Father Ed
